LOCAL MATTERS.

CITY COMMITTEE MEETING .- The City Conservative Committee met last night in the rooms of the Chamber of Commerce, Mr. William F. Drinkard in the chair. After consultation with Mr. J. W. Lewellyn, county superintendent of Henrico, the committee fixed Saturday the 10th instant, at 12 M., as the time, and the Exchange Hotel as the place, for holding the Convention to nominate a candidate for the State Senate.

Captain P. G. Cogblan, on account of pressing business engagements, resigned his position of superintendent of Marshall Ward, though retaining his membership in the committee. Mr. C. J. Fox, Sr., was chosen to fill the vacancy.

Messrs. Samuel H. Pulliam, Z. W. Pickrell, Louis Wagner, John A. Curtis, Samuel Maccubbin, and P. G. Coghlan, members of the Finance Committee, were authorized to collect funds for the uses of the party during the campaign. The committee resolved to meet on Wed-

nesday night next to appoint the various ward delegations under the following provision of the primary-election plan : "The City Central Committee shall, on the certificate of the Board of Election

Commissioners declaring the choice of the Conservative voters of each of the wards of the city of Richmond, appoint one delegate from each ward for every hundred Conservative voters and one for each fraction over fifty cast in the last gubernatorial election." ORDINATION TO THE FULL WORK OF THE

MINISTRY.—At the request of the Four-Mile Creek church the First Baptist church called a presbytery, which convened at the Baptist mission-rooms in this city at 4 P. M. yesterday to consider the propriety of ordaining to the full work of the ministry Professor Edmund Harrison, of Richmond College. The following ministers composed the presbytery: Dr. J. B. Jeter, J. L. Burrows, N. W. Wilson, J. B. Hutson, W. T. Lindsay, George T. Williams, J. William Jones, J. L. M. Curry, J. R. Garlick, H. H. Harris, J. M. Butler, and A. E. Dickinson.

Dr. Jeter being called to the chair and Dr. Garlick appointed secretary, the Presbytery proceeded to examine Mr. Harrison on his Christian experience, call to the ministry, doctrinal views, and qualifications for the The examination proving eminently satis-

PROBABLE PILGRIMAGE OF RICHMOND KNIGHTS TEMPLAR TO NEW ORLEANS,-The Triennial Conclave of the Grand Encampment of Knights Templar for the United States, to be held at New Orleans 1st December next, promises to be largely attended, notwithstanding the political troubles by which that city is now surrounded.

At a recent meeting of Richmond Commandery, No. 2, the question was discussed and much interest manifested in the proposed pilgrimage, a very liberal arrangement being proposed by one of the lines of railway, which will probably tempt many of the Templars from this city to make the trip. A committee was appointed to ascertain how many members of Richmond Com-

mandery would go, and they will probably report at the semi-annual inspection and drill of the Commandery on Tuesday, 18th instant. RETURNING HOME.—It will be gratifying to their friends here to learn that Alderman W.

H. Scott and Councilman John M. Higgins are upon their homeward return, after a most pleasant and enjoyable trip to Ireland, for preserving and whitening the teeth. Used and England, France, &c., &c. They have sent their remembrances to their friends here, and we are not uncertain it is their united wish that they tronage of the public. On Saturday there may have a calm sea and propitious breezes.

> ARREST OF AN ESCAPED CONVICT .- Will Gooch, a professional thief and an escaped convict from the public works in the Valley of Virginia, was yesterday detected attempting to pawn a valuable lady's gold watch. An effort was made by the police to arrest him, but he ran off at great speed, followed After going several squares and running in and out of several alleys, he was overhauled near the Chesapeake and Ohio railroad depôt.

PENITENTIARY STATISTICS .- There were yesterday morning on the records of this institution 796 prisoners; of which 384 were inside the prison, 227 at the Old Dominion Granite Quarry (five miles from the city), and 183 on the Valley railroad under Mason, Gooch & Hoge. Of the number in the penitentiary, 65 are women, two of them white. Under the management of French Strother, the Superintendent, and his corps of officers, the prisoners are nearer self-supporting than they ever were before in the history of the

THE McClosky-Griffith Assault,-The case of the Commonwealth vs. Policeman McClosky, charged with assaulting William B. Griffith in his own house and destroying valuable furniture, was called again yesterday at Justice White's court, but the accused did not appear. His counsel stated that he was confined to his bed from injuries received in the fight with Griffith, who is said to have been assisted by his wife and two other women. The case was continued till

CONSERVATIVE ORGANIZATION FOR ASHLAND Township .- The Conservative organization for Ashland township, Hanover county, appointed by the Third Congressional Committee, is as follows: William Josiah Leake, township superintendent; Edwin Vaughn, assistant superintendent; Dr. Powhatan Bledsoe, assistant superintendent; Dr. T. J. Wooldridge, D. A. Timberlake, James A. Scott, P. S. Mosby, J. H. Leftwich.

THE MERCHANTS' TAX CASE.-Judge Gulgon gave no decision on this important question yesterday morning owing to the absence of Judge Marshall at Charleston, West, Va., where he has gone to argue an important case in the United States District Court. Judge Guizon will probably render a decision on Saturday.

THE RICHMOND FEMALE INSTITUTE opened yesterday with nearly one hundred pupils—

THE MEETING SAID TO HAVE BEEN AR-ANGED BETWEEN GENERALS JOHNSON AND MAHONE.—There was little or no reliable information to be obtained in the city yesterday in regard to the whereabouts of Genesaid to have been arranged to take place between him and General Mahone. General Mahone was arrested in Norfolk upon the information contained in a telegram sent from here by Major Poe, chief of police. A similar telegram was sent to Washington and Baltimore, but General Johnson could not be found. It is believed that he left the boat at one of the landings on the Maryland side of the Potomac before its arrrival at Washington, and repaired to a spot on the Eastern Shore of Maryland previously agreed upon. When last seen he was trav

and from thence to New York. The gentlemen in Richmond in possession of all the facts of the case refuse to divulge anything whatever, and therefore nothing definite is to be ascertained about the correspondence more than that it grew out o a "dodger" circulated on the day of the pri-mary election headed "Down with Mahone Interference," and charging that General Mahone was at the St. James hotel, though not registered there, and had assembled his followers "and organized a ring to beat General Johnson for the Senate," &c. It seems certain that no actual challenge passed before the two gentlemen left Richmond, for Mr. William L. Loyall, the law partner and intimate friend of General Johnson, assured a representative of this paper yes terday afternoon that he was in communica tion with General Johnson, and that General Johnson "had done nothing whatever to disfranchise himself."

During the entire mimic entertainmechanical figures, controlled by hidden manipulations which astonish and perplex observers. Reserved seats may be secured at the Op-

era-House.

THE FIRE LAST NIGHT .- About half-past o'clock last evening a lighted kerosene oil lamp exploded, or was overturned, in the kitchen attached to Mr. Keesee's residence, on Seventh street near the City Spring, and set fire to the floor. An alarm was turned in at box No. 3 (Second police station), and the firemen had a run to no purpose, for the flames were extinguished in a short time and without their aid. Damage trifling.

CONVICTS RECEIVED .- The following colored convicts from Montgomery county were placed in the penitentiary yesterday three years each for house-breaking, and James Mays, four years for the same offence : Burnett Clayton, one year for voluntary manslaughter, and John Dooley, one year for robbery.

ANDERSON THE WIZARD .- The audience a the Virginia Opera-House last night was one Thousands upon thousands of pilgrims, of of the largest we have ever seen gathered in shrine. At Paris they were to rest and re- ed with the delusions presented by Professor Anderson, the great wizard, and many were made glad by his presents. He and Miss Leona deserve in an eminent degree the pa will be a matinee at 2 o'clock, when each child will receive a present.

PROFESSOR DOD'S LECTURE.-Professor Dod's lecture at Association Hall last night was heard by a most appreciative audience. He handled his subject in a manner which gave great satisfaction to his auditors, and will draw a larger crowd when he lectures by an excited crowd of men and boys. in Richmond again. "Dreams and Dreamers" delights, while it instructs, and is much above the plane of the general run of popu lar lecturers.

GATHERINGS IN THE SOUTH.—There has been much written lately that is very dublous about political gatherings and conflict of races, yet there is one class of gatherings all over the South about which there is not even the shadow of doubtnamely: Gathering for the purpose of purchasing the remaining tickets for the next and last Gift Concert of the Public Library of Kentucky, to come off November 30th.
